Pricing
Most prices quoted are for a one-day charge or event. If you wish to rent items for a longer period of time, please call our office for special rates. Quantity discounts are available on some items.

Payment
Payment is due before items can be released to a customer. We accept Mastercard, Visa, and American Express. Local personal checks are accepted with a valid driver’s license.

Making a Reservation
Early Planning assures a successful event with products availability. During the peak rental season we reserve the right to ask for a deposit to confirm a reservation. The reservation fee is your assurance the item will be available on the day you requested.

Order Changes or Cancellations
If an order is canceled at least 7 days prior to the scheduled date, the entire deposit will be refunded. The exception is tent rentals. If a tent is canceled any time, the entire deposit will be forfeited. Additions to an order are welcomed, subject to availability.

Delivery/Pickup
Delivery and pickup are available at reasonable rates. Please call for the charge for your area. Delivery schedules are made several days in advance. You may request AM (8-12) or PM (1-5) delivery and pickup. Delivery / Pickup at other times can be arranged for an additional charge.
On those limited occasions when normal delivery is not available, a special courier service can be arranged at an additional charge.
You are welcome to pick up your rental order at our showroom. All orders to be picked up should be placed at least 24 hours in advance; however, we will always try to accommodate you if at all possible.
Standard delivery / pickup is for tailgate drop off. If delivery is to be made to a specific floor or area, an additional labor charge will be incurred. Our personnel are instructed to neatly stack all items in a convenient place. For pickup, all rental items should be stacked in the same place and manner in which they were delivered.
We can setup and dismantle tables and chairs at an additional charge. Advanced arrangements should be made for this service.

Prior to Pickup or Return
All serving pieces, fountains, or any food-related items should be refuse free and replaced in delivery containers. Linens should be dry and refuse free to prevent mildew and staining. Additional charges are made when extraordinary cleaning is required.

Responsibility
Responsibility for rented items remains with the customer from the time of delivery to return. Additional charges are made for damaged and shortage. Damage Waiver is available.

Damage Waiver
You may elect to pay a fee equal to a fixed percentage of the cost of your rentals, in lieu of additional charges for DAMAGED ITEMS. Damage Waiver DOES NOT cover shortage or loss of items, NOR does it cover damage due to improper or abusive use of items.
Tables
- Tables are plywood.
- All tables are 30” high (except for stand up cocktail).
- Children’s table available in 48” round.

Estimating Seating Capacity:

- For Banquet Style Seating:
  When using oblong tables, divide the room area (sq. ft.) by 12. These figures are for maximum seating. If spacing is available for more comfortable seating, allow an additional 2 sq. ft. per person.

- For Classroom Style Seating:
  Divide “student” seating area (sq. ft.) by 10

- For Theater Style Seating:
  Divide “spectator” seating area (sq. ft.) by 8

  L: Lap Length  F: Floor Length
  Department of Building and Safety may require chairs to be fastened together to keep aisle clear.

  This method of projecting space allows for chair and passage aisle. This formula does not take into account wide traffic aisles, location of columns, service doors, or unique Room shapes. The space projection is useful for a quick, general approximation.

  Note: Always allow at least 10 feet clearance around buffets and bars.
